

TARGET DATE • THURSDAY, DECEMBER 3, 2026

OFFLINE • Most people attend networking events to build relationships and generate new business, but can leave up to 80% of the networking opportunity on the table in any given night.

ONLINE • Most entrepreneurs aren't reaching nearly as many potential clients and strategic partners online as they could—or need to—to achieve their goals.

THE SOLUTION • The Black Book Speed Networking Mixer helps you reach the right people faster, both online and offline.

OUR FORMULA

STRATEGIC CONNECTIONS • Curated rooms, networking challenges, and matchmaking help you find ideal clients, referral partners, and resources faster—with recommendations from organizer Handy Luigi.

BUSINESS VISIBILITY • Expert interviews, professional media coverage, and social, text, and email promotion help you reach local and wider audiences faster.

PROFESSIONAL DEVELOPMENT • Speaking opportunities, special guest speakers, and speaker training when needed help you sharpen your game and perform at a high level, online and offline.
